leadership communication articulates the important roles communication plays in helping to co
construct group organizational or community direction leadership communication focuses on the
communication skills necessary to help co construct an effective direction in one s systems while
playing the varied roles of doer follower guide manager and or leader leadership

communication is organized around three major units 1 the integrally linked role played by communication and direction givers in constructing our past current and future experiences 2 the communication skills required for different types of direction givers and 3 the nature of dramatic action which represents human engagement in systems that may manifest as ethical action and future experiences this book has a number of unique features including a coherent and unified set of frameworks with which to synthesize and employ a wide range of leadership research results and theory as well as other practical materials from contemporary leadership studies a focus on explaining the common communicative elements and skills e g soliciting and saving narratives for use as teaching tales strategic stories and memorable messages framing and critical incidents dialog discussion and debate involved across seemingly quite different leadership contexts e g working in groups in small organizations in large and complex organizations in social movements in communities and in the broad cultural sweep of civic life a discussion of the different processes for attaining a direction giving role or position given the different needs faced by the system an explanation of the art of following doing and guiding well the small leadership so often overlooked or undervalued in leader centric explanations for effective systems an explanation of three different orientations for communicating the vision selling a vision working with those who are seeking a vision and acting with those for whom a vision is an evoked co construction and a discussion of how crisis as a point of decision or of opportunity can be useful as a source of the energy and rhetorical resources necessary for rare and difficult forms of dramatic action leadership

written for those who have little or no management training umiker s management skills for the new health care supervisor comprehensively covers what the new health care supervisor will need to know to be successful in their career through real world cases studies readers gain insight into a supervisor s day to day interactions with patients colleagues outside stakeholders and their employees updated throughout to cover the many ongoing challenges of the covid 19 pandemic on healthcare supervisors and managers the new eighth edition offers an all new chapter on ethics in the workplace new materials on the aging workforce and women in health care virtual meeting remote jobs and working from home different types of mentorships the increase in importance of value based care sexual harassment and the metoo movement and much more
