without opening my eyes i guessed that it must be between five and six in the morning i was snuggled into something narrow on moving my knee abruptly it came into contact with an upright board at the same time the end of my bed rose upward so that my feet were higher than my head then the other end rose and my head was higher than my feet a slow gentle roll threw my knee once more against the board though another slow gentle roll swung me back to my former position far away there was a rhythmic throbbing like the beating of a pulse i knew i was on shipboard and for the moment it was all i knew not quite awake and not quite asleep i waited as one waits in any strange bed in any strange place for the waking mind to reconnect itself with the happenings overnight sure of this speedy re establishment i dozed again
