first major exploration of a ground breaking new technique for actors and theatre artists

like the method before it viewpoints is the new gospel amongst american actors and like the method it is already spreading to britain this book offers actors a primer in a revitalising new technique

elements and principles of 4d art and design is a core text for 4d foundational studies offering students an accessible and hands on introduction to the new elements and principles of time based art suitable for both majors and non majors the book begins by reviewing basic aesthetic concepts and the principles and elements of 2 and 3d design to help students make connections between more familiar art forms and the new world of 4d design through a range of exercises and activities

students will hone improvisation brainstorming and critical thinking skills while gaining experience in a range of technologies related to 4d design such as simple video and audio recording and editing visit oup com us mueller for additional material including interviews videos and audio files for a selection of examples cited throughout the text links and suggestions for online technical resources related to dslr camera use video editing audio recording and editing and stop motion animation links to additional resources on artists and art for more in depth learning

the first reference tool to focus on american women directors

this is a book for the thinking actor and the finest actors i ve known are just that the best actors bring it all together body heart spirit and mind this book is for the actor who thinks about craft and influence who thinks about the relationship of performance to living who thinks about doing and what that doing means acting is a metaphor and it s a mirror and so a theory of acting if true shows us to ourselves jeff zinn knows this he knows it as an actor director teacher and thinker his theory of everything is simple and revelatory from the foreword by todd london

this vital handbook for directors just starting out offers an overview of historic and current practice as well as key theories professional advice interviews with practitioners and a series of exercises to develop the director s own approach and practical skills

presents a collection of articles and questions that debate a variety of topics on the subject of gangs
